

## All4Labels Quality Policy

Derived from our mission of being passionate about our customers, employees and products, All4Labels Quality Policy reflects our desire to maintain a quality-focused culture. This culture is reflected in our people, our way of working and particularly in the relationship to our customers and makes Quality one of our key strategic pillars. Our goal is customer satisfaction by continuous improvement of our products, services and processes in all areas of our company.

We are committed to implement and maintain a Global Quality Management System with binding standards to meet or exceed customer satisfaction and comply with legal and regulatory requirements.

The Global Quality Management System is regularly monitored to ensure that the standards meet our quality objectives.

We collaborate with reliable suppliers and ensure that they adopt our quality management standards.

Regular trainings ensure that the necessary qualifications are constantly brought up to date.

Our management and all our employees are committed to our Quality Policy.
