

At All4Labels Global Packaging Group we set industry benchmarks for Quality Management, Assurance (QMA) & product safety by committing to:

- Leadership & competencies for complete customer satisfaction.
- Managing Quality and Hygiene requirements with highest level of interest and priority.
- Promoting a Company Quality Culture that achieves and maintains a Zero-Defect-Strategy.
- Preventing any waste and resources by product-process-oriented Quality Gates.
- Deploying the best available Quality processes & technologies.
- Accessing to the tools, material, semi-finish & finish products only by authorized personnel
- Ensuring and controlling to produce safe and legally compliant products.
- Achieving Excellence in Quality by Continuous Improvement of the Management System and contributing to the sustainable development of our organization.
- Leading collaboration with regional and global packaging organizations.

Our Principles and Practices are:

- Every person has a responsibility for product quality & safety in their work process and is supported by precisely written procedures, instructions, and specifications.
- Line management and supervisors are responsible to demonstrate visible and active leadership to engage everyone achieving the best possible Quality.
- Implementation of All4Labels quality standard (failure criteria list) as quality basis.
- Annual process reviews are conducted and documented to ensure compliance with all standards and customer requirements and legal compliance.
- The effectiveness of the quality management system is evaluated by transparent targets, weekly monitoring of the performance, conducting internal, customer and system audits and establishing action plans.
- Training, knowledge sharing, and skills development will be provided for all employees to perform their jobs at the best quality.
- Expert teams for all applied standards support the plants in complying with specifications and monitoring effectiveness.
- Regular checks to ensure product safety and complete traceability.

This policy applies to All4Labels - Global Packaging Group and all its subsidiaries.
